JENNA X O'Hendrix JACK – CavaPooChon F1-b – Male 5

This puppy is a CavaPooChon F1-b or “crossback” puppy. His mother is our Jenna, a CavaPooChon with a lovely coat and beautiful, teddy-bear face. His sire is O'Hendrix Jack – a champion Cavalier with all health testing to rule out genetic faults.

Male 5 has the teddy bear face, large round eyes that are wide spaced, with shorter, square-shaped nose. He's got the Cavalier Magic – a gentler energy level but still sparkly and fun! He's very loving. He has a full, wavy-curl coat that will be low-to-no-shedding when grown. Gentle, loving, beautiful puppy!
